Kickstarting Your Academic Career: Skills to Succeed in the Social Sciences

Robert L. Ostergard and Stacy Fisher
(both at University of Nevada, Reno)

Spring 2017 / 5.5 x 8.5 / paper / 160 pp / 978-1-4426-3561-6
US & CDN \$16.95

 Available as an ebook

Kickstarting Your Academic Career is an indispensable primer on the common scholastic challenges faced by first-year social sciences students upon entering college or university. Focusing on the challenges that instructors most often find students need help with, the authors offer practical advice and tips on such topics as communicating with instructors, note taking, how to read a textbook, writing exams, and researching and writing papers. The succinct writing and clear organization make this an essential reference for first-year students.

CONTENTS

Introduction

- Why Am I Here? From High School to College or University
- How to Use This Book: For Students
- How to Use This Book: For Professors

Chapter 1: Where to Start? The Basics of the Classroom
